### ***OLLU Officer-Involved Shooting***

A preliminary investigation of an Our Lady of the Lake University campus police officer involved in a shooting reveals that a student was a victim of a self-inflicted gunshot wound to the head.

Shortly before 8:00 p.m. Wednesday night, San Antonio police responded to a call for a shooting involving a campus police officer and a student. When they arrived, they spoke to 27-year-old Officer Gregory Gonzales who told police that the student had come up to him and told him there was a fight and pointed the direction out to the officer. The officer, on his police bike, turned in the direction provided. The student quickly grabbed Officer Gonzales' .40 caliber semi-automatic Glock, threw a note at him, and shot himself once in the head.

The student was transported to Wilford Hall Hospital where he was pronounced dead. Officer Gonzales has been an Our Lady of the Lake University Campus Police Officer for two years. He along with a witness was taken to San Antonio police headquarters to give statements. No one else was injured in this incident.

The name of the victim is not being released at this time pending the notification of the next of kin.
